

Many of our clients have asked us to recommend caterers. You are welcome to bring in the professional caterer of your choice (as long as the caterer agrees to our rules and guidelines). We have had the good fortune of having many fine caterers here at the Museum over the years. The following are some of the caterers who have been here and been particularly highly recommended by our clients. Enjoy!

Please contact me at 781.729.1158 if you are interested in availability or have questions.

Regards,
Mike Bodall
Associate Director
