

Many of our patrons have asked us to recommend caterers. You are welcome to bring in the professional caterer of your choice (as long as the caterer agrees to our rules and guidelines). We have had the good fortune of having many of New England's finest caterers here at the Museum over the years. The following list includes caterers who have participated in events at GMP and been particularly highly recommended by our patrons and guests.

Regards,  
The Griffin Team
